FOXGLOVE HOLLOW

DADGAD tuning – Capo on fret 2

INTRO chords

Stanza 1 (Em, F#m, D6/9, C#m) x4

Between the birds and the bees,
That's where she finds me.
Whistling on the breeze
As the sap flows fresh from the trees.
Her poison is so sweet,
Quickly brings me to my knees.
Lay down next to me under our,
Foxglove hollow

x 2 (Em, F#m, D6/9, C#m)

Stanza 2 (Em, F#m, D6/9, C#m) x4

Sun beat down upon,
a grass filled meadow.
as we searched on and on,
For our small shred of shadow.
We made our nest upon,
The back of a black widow.
Run away into my,
Foxglove hollow.

x 2 (Em, F#m, D6/9, C#m)

Stanza 3 (Em, F#m, D6/9, C#m) x4

This could be your eden.

...

You could be mine, my eve.

...

Run away into our,
Humble foxglove abode.
